Packaging

Composed of shrink-wrapped plastic and protective corner protectors. The packaging was created at the same time as the design, optimising it so that it is easy to transport and takes up as little space as possible, avoiding the unnecessary use of packaging material.

Sustainability

Responsible design, minimising the impact of industrial activity. Our factory recycles 99.9% of the waste, obtaining the "Zero Waste" certificate from AENOR. Our products are free of PFCs.
