Packaging

Composed of shrink-wrapped plastic and protective corner protectors. The packaging was created at the same time as the design, optimising it so that it is easy to transport and takes up as little space as possible, avoiding the unnecessary use of packaging material.

Sustainability

Responsible design, minimising the impact of industrial activity. Our factory recycles 99.9% of the waste, obtaining the "Zero Waste" certificate from AENOR. Our products are free of PFCs.

Options

Baltia is manufactured by Fama Sofas, whose quality system is certified by AENOR and IQNET according to the ISO 9001-2015 standards, with the certificate number ES-0790/1999. In addition to the Environmental Management Certificate according to ISO 14001-2019.

All models have passed the tests required for granting the quality control label from Aidima-Cetem laboratories.
